

TRAIN WITH A D1 ATHLETE

AN OFFICIAL NIL PARTNER OF
SAN DIEGO STATE UNIVERSITY

AZTEC LINK YOUTH SPORTS CLINICS & CAMPS

Sports clinics and camps facilitated by Aztec Link provide a unique experience for your club/league members. Your youth players will get coached by NCAA Division 1 student-athletes from San Diego State University on a variety of technical skills. Not only does this bring a dynamic training perspective to help boost talent development, but there's also an important spark of excitement in young players when they get to learn directly from a role model—a college athlete!

To learn more about how your organization can partner with Aztec Link on a clinic/camp event, please email Alicia Piz at Alicia@AztecLink.com with your inquiry.
